

ACADEMIC ROADMAP
Media Production

Here is a recommended semester-by-semester schedule for students. It includes both courses required for this major and general-education requirements. This is only a guide. Students should meet with their academic advisers to determine how best to satisfy degree requirements. By following this schedule, students who begin as Communication majors can expect to graduate within eight semesters if they wish. Students who transfer later into the department should expect a minimum of four semesters after they have completed the 100- and 200-level core requirements. Students should take five courses per semester in order to stay on track to graduate in four years.
